1. Mockup

2. Source code dan tampilan

The image displays a web application interface. The top section shows the source code of the `index.blade.php` file, which includes HTML boilerplate, Bootstrap CSS links, and a navigation bar. The rendered output below the code shows the website's header with the title "KECAMATAN REGOL" and a navigation menu. The main content area is divided into two sections: "KEGIATAN" (Activities) and "BATAS WILAYAH" (Territory Boundary). The "KEGIATAN" section features a red banner with the text "PENERTIBAN SPANDUK DI SOEKARNO HATTA, SRIWIJAYADAN BKR" and three photographs of a banner installation. The "BATAS WILAYAH" section displays a map of Kecamatan Regol, Kota Bandung, with various landmarks and locations marked.
